

# OCTOBER 26

## BELLRINGER VOCAB WORD REMIX

**FOCAL POINT:**

**THE CENTER OF INTEREST OF  
AN ARTWORK; THE PART YOU  
LOOK AT FIRST.**

# A NEW TAKE ON AN OLD PIECE

## COLLABORATIVE ART GROUP PROJECT

### LEARNING GOALS

Students can describe and discuss general characteristics of a work of art from various historical time periods,

Students can use feedback from peers to plan and create works of art,

Students can propose revisions to works of art using the language of visual art,

Students can create and display works of art using a variety of contemporary and available media.

# DISCUSSION QUESTIONS

**What elements of art do you notice?**

*Elements of art are: color, form, line, shape, space, texture, and value*

**Where do you notice those elements?**

**What do you think will be the most challenging part of recreating your picture?**

# NEXT STEPS

**Finish small sketches, piece picture together**

*Provide PEER FEEDBACK on how what could be made better, what should be changed, what works, etc.*

**Layout all large pieces of paper for final piece**

**Decide if any pieces need to be trimmed**

**Begin sketching the large version of your section**

**As a group, decide what media you will use to add color to your picture. Choose at LEAST 3.**

*Media choices: Paint (watercolor, acrylic), oil pastels, colored pencils, marker, crayons, chalk pastels*

# PEER FEEDBACK

## FEEDBACK DO'S:

**Be specific in your critique**

**Use “art” words, i.e. “I don’t think that’s the right *color* for that spot,” or “there could be more *movement* with the *lines* in this section.”**

**Focus on the art, not the artist**

**Leave personal issues/emotion out of your critiques**
